Information reached this city Thursday of a tragedy at Dutton & Co's, wood camp on Sunday night, which cost one life, the victim dying a few hours after the tragedy.

The particulars are very meagre, but it seems that Charlie Thompson, a negro, became involved in a dispute over a trivial matter with another negro, the name of whom could not be learned, when the guns were brought into action. The load from Thompson's gun entered the back of the other man, passing through his body, with the result that he died.

After the shooting Thompson made his escape, and is still at liberty.

THIS DRUGGIST'S EXPERIENCE

Should Interest Gainesville People.

Mr. Joe. F. Bradley, a prominent druggist of New Brunswick, N. J., writes: "I have sold Vinol, the cod liver preparation without oil, for the past three years, and it has given perfect satisfaction."

"I now use Vinol in my family and can highly recommend it. It is always a pleasure to recommend a medicine that I have found to be first-class."

The reason Vinol is so fast superseding and so far superior to old-fashioned cod liver oil and emulsions is because it contains all of the medicinal, body-building elements of cod liver oil actually taken from the fresh cods' livers, with all of the useless and nauseating oil eliminated and tonic iron added.

Vinol makes pure, rich, red blood. It is delicious to take and the weakest stomach can retain it.

As a body-builder, and strength creator for old people, weak women, delicate children, after sickness, and for all pulmonary diseases Vinol is recommended by over 5,000 of the leading druggists of the United States. Your money back if it does not do all we claim for it.—W. M. Johnson, Druggist.

Note—While we are sole agents for Vinol in Gainesville, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.
